

21/06/2008

A low-angle photograph of the yellow facade of Mozart's Birthplace in Salzburg. The building features several white-framed windows, some of which are open. A red awning is visible on the right side. The name 'Mozarts Geburtshaus' is written in large, gold, cursive letters across the middle of the facade. Above the name, there is a small, ornate, circular gold plaque.

Mozarts Geburtshaus
